Linda McAvan MEP

is chair of the European Parliament's Development committee and of the Fairtrade working group, which she founded. She has also influenced EU laws on the environment, public health and climate action.

Making a difference

Linda and Richard represent Yorkshire & Humber in the European Parliament, standing up for our interests and working hard to make sure the region gets the best deal.

Yorkshire & Humber is a net beneficiary of EU regional funding, meaning that we receive more than we pay in real terms.

From 2007 to 2013, we received some £500 million from the European Regional Development Fund, which in turn brought about the same amount from elsewhere — that's about a billion pounds of direct investment in our communities.

Richard Corbett MEP

is deputy leader of the Labour MEPs. He specialises in EU reform and the UK debate about Europe, and also sits on Parliament's Fisheries committee. He was the first MEP to write a blog and now also has a mythbusting app (richardcorbett.org.uk/app).

The European Regional Development Fund has given some £2.2 million to a major scheme to improve the local economy of Sowerby Bridge and Copley. A new highway links Hollas Lane with Holmes Road, providing transport links for HGVs.

Construction has now begun on business units which will create new employment opportunities in the area.

Hebden Bridge Creative Quarter

The European Regional Development Fund gave over £1.2 million to this project which saw the Town Hall developed by world-class architects Bauman Lyons.

Enhancing the area's reputation for creative and digital businesses, the Creative Quarter supports web, software and graphic design as well as other creative work. It can house around 30 small businesses and provides meeting space for home-based workers.
